

Mamebu soup for vegans is now available!

It is a restaurant in the roadside station lottery "Yamase Dofukan" in Kuji City, Iwate Prefecture. This is a Japanese restaurant that serves meat and fish. "Mamebu soup", which appeared in the drama "Amachan", is a local dish that has been eaten in this area for over 100 years. Bonito and dried sardines are used for Mamebu soup, By replacing this soup with vegetable soup stock, you can change to a vegan diet. Grilled tofu, burdock root, deep-fried tofu, shimeji mushrooms, kanpyo, and dumplings (with walnuts and brown sugar) are included. Please enjoy our vegan Mamebu soup.
